Bits & Pieces (Rot & Ruin) By Jonathan Maberry

Return to the zombie apocalypse wasteland that is the Rot & Ruin in this short story collection from Jonathan Maberry.

Benny Imura's zombie-infested adventures are well-chronicled in the gripping novels *Rot & Ruin*, *Dust & Decay*, *Flesh & Bone*, and *Fire & Ash*. But what else was happening while he was on his quest? Who were the others navigating the ravaged landscape full of zombies?

Bits & Pieces fills in the gaps about what we know about First Night, surviving the plague, and traveling the land of Rot & Ruin. Eleven all-new short stories from Nix's journal and eleven previously published stories, including "Dead & Gone" and "Tooth & Nail," are now together and in print for the first time, along with the first-ever script for the Rot & Ruin comic books.

Editorial Review

From School Library Journal

Gr 8 Up—Just when fans thought the adventures of Benny Imura were over, Maberry returns with a hefty volume of short stories—11 previously released and 11 new—featuring new and favorite characters in the "Rot & Ruin" world. Some stories tell about the world before First Night, while some fill in the gaps of time during Benny's various adventures in the previous four books. A highlight is "Rags & Bones," which details the survival of a little girl all on her own while also introducing Joe Ledger, which provides an excellent segue for older teens to be introduced to the main character of Maberry's zombie series for adults. Purchase where the series and zombie horror is popular.

Review

"[For] the zombie-apocalypse-intrigued reader, it is a welcome addition to the collection." (*Booklist*)

"An entertaining divergence from the solid series." (*Kirkus Reviews*)
