### Seattle Lumberjacks, Book 2

Quarterback Tyler Harris is about to find the woman who can get past his defensive line and reach his heart.

With two championships in as many years, superstar Tyler Harris is the best quarterback in the league. Gorgeous and rich, he's at the top of his game. But everyone's looking to take him down. There's a building media frenzy around an unfortunate accident, and the only safe place seems a rundown mansion deep in the San Juans and owned by his late great uncle. There, Tyler gets sacked by the sassy redhead next door. It's more alive than he's felt in years.

Lavender Mead has a good reason to dislike jocks, namely an absentee father who deserted the family to coach college football. Maybe that explains her penchant for bad boys who play ball for a living and break hearts for a hobby. Her new neighbor seems just the type. Yet, something is different about Tyler, and sometimes love requires a Hail Mary. You draw back your arm, pray...and give it all up to fate. And sometimes you win your ring.

## **Editorial Review**

### Review

"I cannot wait to read more books in this series, which features well-done football scenarios, interesting and believable characters, and enough steamy sex to turn a blue-haired grandma's hair more blue. I may have had to wait a while for Tyler's story, but it was worth the wait."--Wendy, the Super Librarian

"The sex is hot, hot, hot. In my humble opinion, it puts Fifty Shades to shame. Perhaps because Tyler and Lavender are dynamic, interesting characters."--Hooks and Books

"Tyler will forever be one of my top book boyfriends."--Guilty Pleasures

"Forward Passes is a decadent and emotion-packed novel set in the beautiful San Juan islands that will have readers longing to go on vacation and find a football hero of their own."--Night Owl Reviews

"A terrific plot, romance, and tons of hormones pulsing throughout!" --Sweet n Sassi

"I loved this book!! My first Jami Davenport book but definitely not my last!" --Everyone Loves a Sinner

"A well-written story that allows two damaged people to conquer their demons and find the perfect person." --Sugar Beats Books

"A fun romp, I mean, read!"--My Bookmark Blog
