Rapture's Edge (A Night Prowler Novel Book 3) By J.T. Geissinger

2014 Golden Quill Award Finalist

SECRETS... In the hidden world that exists beside our own, a mirror world of ancient magic and elegant deceptions, a world of people who are so much more than they first appear, a war is brewing. Most of these Gifted people--the *Ikati*, a savage, sensual race of lethal predators--are content to hide behind human smiles, disguising their splendor in order to survive. But others are discontent. And they will hide no longer.

BETRAYALS... Eliana lives for two things only: vengeance on the man who killed her father and seeing her father's dream of living in the open with humans come to pass. But that dream is far too dangerous for The Hunt, a group of elite *Ikati* assassins with one objective: eliminate her before she can expose their secrets to the world.

SEDUCTION... Demetrius is haunted by the memory of the woman he once loved. He will risk everything to save her from the killers on her tail... and convince her, before the ancient walls between two worlds crumble, that only together can they defeat their real enemy, a brilliant, cunning traitor far more deadly than either of them can guess.
