Say It Sweet (Say You Love Me Book 2) By Virna DePaul

Outwardly, Erica Ellis seems to have it all. At twenty-three years old, she's already hit the New York Times bestseller list and her breakout novel is being made into a network television series. But even after collecting her cushy advance for Book 2, she can't seem to forget the struggles of her past or stop longing for the sexy and sweet man who views her only as a friend.

A former fighter turned actor, Shane Mason hides his pain behind a good-guy façade just like he hides his growing feelings for Erica. The willowy blonde is way out of his league...or so he thinks, until an unexpected hookup at a party has him thinking he and Erica might just be perfect for each other.

Only it turns out Erica doesn't remember the night they spent together. Now Shane has a choice—walk away or let Erica see all that he is and can be to her: a nice guy and a bad boy. A friend, fighter, and lover.
