**The Island of Dr Moreau: With 18 Illustrations and a Free Audio Link.** By H.G. Wells, Red Skull Publishing

This book is a superb piece of storytelling that takes us into an abyss of human nature. The story centers on the depraved, reclusive mad-scientist, Dr. Moreau, who conducts unspeakable animal experiments on a remote tropical island, with hideous, humanlike results.

Edward Prendick is an Englishman, who is the lone survivor of a shipwreck that finds him drifting without food or water for more than a week out at sea. His misfortunes deliver him to an unknown Island. He becomes a terrified witness to a collection of genetically modified Beast Folk as they slowly regress back to their animalistic tendencies. The islands inhabitants are far worse than anything he could have imagined. He wished he was left to die at sea.

While gene-splicing and bioengineering is common practices today, readers are still astounded at the haunting vision and the ethical questions Wells raised over a century ago.

Highlights of this edition are:

- 18 illustrations and photos.
- A free web link to the full-length audio recording of the book, to either listen to online, or download.
- It is formatted for ease of use and enjoyment on your kindle reader.
- An active (easy to use) Table of Contents listing every chapter accessible from the kindle “go to” feature.
- Perfect formatting in rich text compatible with Kindle’s Text-to-Speech features.
- Plus About the Author section.
- 239 pages (in the kindle format) for a very low price.

This book is unabridged and the story appears as it was first published in 1896.

It should be here for you actually. So , don't miss this! Just read this e-book type for your better life and also knowledge.

##### **Billy Taylor:**

As a college student exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just minor students that has

reading's heart or real their interest. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this The Island of Dr Moreau: With 18 Illustrations and a Free Audio Link. can make you feel more interested to read.
