### Treason By Orson Scott Card

Lanik Mueller's birthright as heir to planet Treason's most powerful rulership will never be realized. He is a "rad" -- radical regenerative. A freak among people who can regenerate injured flesh... and trade extra body parts to the Offworld oppressors for iron. For, on a planet without hard metals -- or the means of escape -- iron is power in the race to build a spacecraft.

Iron is the promise of freedom -- which may never be fulfilled as Lanik uncovers a treacherous conspiracy beyond his imagination.

Now charged with a mission of conquest -- and exile -- Lanik devises a bold and dangerous plan... a quest that may finally break the vicious chain of rivalry and bloodshed that enslaves the people of Treason as the Offworld never could.

### Editorial Review

From Publishers Weekly

After the success in recent years of his mature work (the Hugo and Nebula Award-winning SF diptych *Ender's Game* and *Speaker for the Dead* and the excellent fantasy, *Seventh Son*), the energetic Card returns to his 1979 second novel originally titled *A Planet Called Treason*. Limiting his rewriting to presentation rather than plot, Card is left with a good story that looks forward to his better work. Arrogant, sophisticated Lanik Mueller, scion of a clan that can regenerate their bodies, learns humility and much else during his exile in "primitive" lands. With his new powers, including the ability to cause earthquakes and drain lakes, he leads his countrymen in revolt against their conquerors. As in his later, better known work, Card provides a colorful dramatization of ethical issues and questions of identity against a backdrop of bizarrely fascinating races from the tree-dwelling Nkumai to the time-manipulating Ku Kuei.

From Library Journal

Cursed by the uncontrollable manifestation of his family's natural gift for self-healing and bodily regeneration, Lanik Mueller begins a planet-wide journey that reveals the mysterious origins of human existence on the planet *Treason* and leads him to challenge the assumptions of a society based on warfare and greed. This expanded version of *A Planet Called Treason* exemplifies Card's talent for creating disturbingly compelling, beautifully written stories. JC

"Card provides a colorful dramatization of ethical issues and questions of identity against a backdrop of bizarrely fascinating races." *Publishers Weekly on Treason*

"This exemplifies Card's talent for creating disturbingly compelling, beautifully written stories." *Library Journal on Treason*

### Users Review

**From reader reviews:**

**Andrew Wilson:**

Why don't make it to be your habit? Right now, try to prepare your time to do the important behave, like looking for your favorite publication and reading a publication. Beside you can solve your condition; you can add your knowledge by the reserve entitled *Treason*. Try to the actual book *Treason* as your buddy. It means that it can to become your friend when you truly feel alone and beside regarding course make you smarter than before. Yeah, it is very fortunated to suit your needs. The book makes you more confidence because you can know every thing by the book. So, we need to make new experience and also knowledge with this book.

**Michelle Bachman:**

The e-book with title Treason has lot of information that you can discover it. You can get a lot of gain after read this book. This particular book exist new information the information that exist in this e-book represented the condition of the world at this point. That is important to yo7u to understand how the improvement of the world. That book will bring you inside new era of the the positive effect. You can read the e-book on your own smart phone, so you can read the item anywhere you want.

**Oscar Jackson:**

That book can make you to feel relax. This particular book Treason was vibrant and of course has pictures on the website. As we know that book Treason has many kinds or style. Start from kids until teenagers. For example Naruto or Private eye Conan you can read and think you are the character on there. Therefore , not at all of book are usually make you bored, any it can make you feel happy, fun and chill out. Try to choose the best book in your case and try to like reading that will.

**Donald Noble:**

As a student exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some guide, they are complained. Just little students that has reading's internal or real their hobby. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Treason can make you feel more interested to read.
