Basics of Numerology: What Your Name and Birthdate Say About You By Clifford W. Cheasley

Delve into the fascinating world of numerology to learn what your name and birthdate say about you. Basics of Numerology is an updated and illustrated version of Clifford W. Cheasley's NUMEROLOGY AT A GLANCE, which was first published in 1914, and has now been updated and adapted to the modern world and language.

This updated and illustrated edition presents a detailed look at the basics of Numerology. You will learn to calculate your personal numbers whose vibrational meaning provides insight into the personality, soul urge, appearance, as well as the life path.

The meanings of numbers you will find in this book as discussed by Clifford Cheasley in 1914, are just as relevant today as they were 100 years ago, each carrying personal meaning, as well as implications of meaning in terms of interacting with and relating with others.

This book has been illustrated, and updated with a section on the Master Numbers 11, 22, and 33.

Through Numerology the personality, soul urge, method of expression, desires, thoughts, relationships, actions and life experience may be easily understood in accurate mathematical values.

Numerology is not a new study, and yet it's message and teachings remain highly relevant today.

The philosophy of numbers condenses the wisdom and knowledge of seven thousand years. For in ancient times, the same numerical values which we are using today, held meaning and association within languages which have long since been forgotten and discarded. As the core vibrational meanings of numbers are revived from the past and adapted to the modern world and language, they can be comprehended with increasing possibility for the present and future.
