Editorial Review

Review

'This path-breaking collection offers new insights into the global resonances of Black Power in such unexpected locales as New Zealand, Israel, and India, while also situating the US Black Power movement and its antecedents within the political and cultural traditions, and collective memory, of the African diaspora. Scholars and lay readers alike will find this a rewarding collection that dramatically transforms their understandings of the movement.' - Penny Von Eschen, professor of History, University of Michigan, USA

About the Author

Nico Slate is an Assistant Professor of History at Carnegie Mellon University, USA. He is the author of *Colored Cosmopolitanism: The Shared Struggle for Freedom in the United States and India* (2012).

Users Review

From reader reviews:

Linda Haag:
