What if I told you that with some tips, your standing position could become a real sign of **POWER**?

What if after reading this short guide, you will be able to attract the girl you want, just sitting in a **DOMINANT** position or walking like a real badass?

Trust me, body language is really that powerful. You should already know that human beings are constantly reading situations and other people so that, really quickly, they can know what category to put them in: low status, middle status, or high status.

It's just a survival mechanism, because you have to know who has the power and who hasn't. That's something that's been hardwired into us over thousands and thousands of years. So, most people don't trust words, because we've been taught from a young age to lie with them. They prefer to read those status cues through the body language: **THAT** is the honest signal of High-Status!

High status body language = high status person.

It's that simple, and we trust it. Once we make the decision or opinion about that person, it's almost impossible for us to break it. Therefore, your body language is the **UNSPOKEN TRUTH**

When you have a high status body language, people conclude that you are in **CONTROL** of your own reality. Remember this, my badass friend:

"The body follows the mind, but the mind follows the body even more."

Having a high status body language will make you have a high status mindset all

the time: this can **CHANGE YOUR LIFE FOREVER.**
