Editorial Review

Review

"I found this to be an excellent resource and a must-have for the library of anyone with any interest in defending the faith--from beginner level to advanced. . . . I commend Groothuis for providing such a useful resource that many will benefit from for years to come." (Devin Pellew, *Christian Apologetics Journal*, Spring 2013)

"Groothuis offers as clear and as convincing a short exposition of the ontological argument as I have read. . . . As well as Christian apologists, students of the philosophy of religion should find this a useful book." (Paul Richardson, *England On Sunday*, January 22, 2012)

"*Christian Apologetics* is undergirded throughout with solid scholarship, razor-sharp reasoning, and copious footnotes. . . . The thoughtful layperson will be guided along the author's line of reasoning in logical progression. . . . By applying cogent insights in the book, the church can truly turn the world upside down for the glory of God." (Robert Velarde, *Christian Research Journal*, Vol. 34, No. 06)

"Douglas Groothuis does Christian apologetics the way it needs to be done, situating apologetics within a Christian worldview and answering the troubling questions that people are actually asking--questions to which they need answers if faith is going to be a live option. His book draws on many years of teaching and writing about apologetics, distilling the most effective arguments in defense of the Christian faith." (William A. Dembski, author of *The End of Christianity*)

"*Christian Apologetics* is an outstanding book that I wholeheartedly endorse. It is one of the most thorough, insightful and well-written apologetics books I have read in a long time. Groothuis has the rare ability to write in a way that is understandable to the nonspecialist and yet rigorous enough to challenge the apologetic connoisseur. I wish every Christian would read this book carefully and then pass it on to a skeptic for discussion, interaction and dialogue." (Sean McDowell, author of *Apologetics for a New Generation*)

"Groothuis is a leading evangelical thinker and *Christian Apologetics* is a monumental result of decades of study and reflection. Breathtaking in scope, clear in style, this book is now the go-to text in the field. I know of nothing like it, and I enthusiastically recommend it to all who want to learn to give an answer for the hope that is within them." (J. P. Moreland, author of *The God Question*)

"*Christian Apologetics* is a full-scale defense of the Christian faith that is accessible, relevant and wise. This book not only reflects the work of a seasoned apologist; it is written with passion and conviction. I heartily recommend it!" (Paul Copan, Palm Beach Atlantic University)
