Congress and Its Members By Roger H. Davidson, Walter J. Oleszek, Frances E. Lee, Eric Schickler

Congress and Its Members has been the gold standard for Congress courses for thirty years. In the fifteenth edition, authors Roger H. Davidson, Walter J. Oleszek, Frances E. Lee, and Eric Schickler offer comprehensive coverage of the U.S. Congress and the legislative process by examining the tension between Congress as a lawmaking institution and as a collection of politicians constantly seeking re-election.

The fifteenth edition considers the 2014 midterm elections and discusses the agenda of the new Congress, White House–Capitol Hill relations, party and committee leadership changes, judicial appointments, and partisan polarization, as well as covering changes to budgeting, campaign finance, lobbying, public attitudes about Congress, reapportionment, rules, and procedures. Always balancing great scholarship with currency, *Congress and Its Members, Fifteenth Edition* features lively case material along with relevant data, charts, exhibits, maps, and photos.

Editorial Review

Review

"[Congress and Its Members] is the gold standard to which all Congress texts should aspire. It is comprehensive, well written, and well organized....The recent addition of Lee and Schickler as co-authors brings to the book freshness of perspective and good solid knowledge of the way Congress works." -- Ross Baker "I have used it throughout my teaching career because it is so complete and so easy for the students to understand....It is simply the best one can get." -- Kenneth Cosgrove "Congress and Its Members is very nearly perfect. I have found its structure to be enormously useful, and given how broad a goal it has, I think it works great. In particular, it is very well written and contains plenty of good examples that are essential to bringing such a peculiar institution as Congress to life. It is very clear the authors are experts on the topic, not just from an academic perspective but also from day-to-day real life experience." -- Elizabeth Palmer

About the Author

Roger H. Davidson is professor emeritus of government and politics at the University of Maryland, and has served as visiting professor of political science at the University of California, Santa Barbara.
