Contemporary Readings in Sociology From Brand: SAGE Publications, Inc

This reader was developed to be used in numerous courses taught in sociology. It is appropriate for an introductory course, as well as a social problems or special topics course. The readings have been selected from numerous well respected sociology journals and they have been edited to make them more "user friendly" for the undergraduate student. This reader allows undergraduate students to read about the major topics in sociology in the words of the original authors. The reader includes a topic guide to help the instructor better integrate the material into their course and well-crafted section openers place each article in context for the student. This series of readings has been vetted by an Advisory Board of sociology instructors to ensure quality.
