### **Editorial Review**

#### Review

" This dictionary is an admirably comprehensive study of the vocabulary of Trinidad and Tobago, recognizing the country's Creole as a linguistic variety in its own right, and celebrating its remarkable linguistic heritage. It authoritatively displays the multifarious language of everyday domestic and social life and documents the rich terminology of the country's plants and animals. A major feature is its coverage of the wide range of sources from which the country's words are derived. It is well worthy of a place among the established dictionaries of World English." -Edmund Weiner, Deputy Chief Editor, Oxford English Dictionary "The appearance of the Dictionary of the English/Creole of Trinidad & Tobago is a landmark event in the public life of this Caribbean nation. It invites mature exploration of a fascinating culture and it will bring delight to all those who have tasted Caribbean experience. I expect it to become as well a major linguistic reference for future dictionaries of other Caribbean societies." -Lawrence D. Carrington, emeritus professor of Creole Linguistics, The University of the West Indies

#### About the Author

Lise Winer is associate professor in the Faculty of Education, McGill University, the author of *Badjohns, Bhaaji & Banknote Blue: Essays on the Social History of Language in Trinidad & Tobago*, and editor of a series of early Trinidadian novels.
