Gray Justice (A Tom Gray Novel Book 1) By Alan McDermott

A Tom Gray Novel: Book 1

When ex-soldier Tom Gray loses his wife and child to a career criminal, it seems life can't get much worse. But when the killer is let off with time served on remand, Gray knows there is something fundamentally wrong with the justice system. Engaging the help of his ex-SAS buddies, he kidnaps five repeat offenders and asks the public to vote on their fate: Should they be allowed to continue their criminal ways with inadequate punishment, or has Britain had enough?

His website attracts a worldwide audience and, although the authorities know where he is, they are powerless to stop him.

Can Gray carry out his audacious plan? Will Andrew Harvey and his fellow MI5 operatives find a way to stop him?

Gray Justice, the first book in the Tom Gray series, is more than a simple tale of revenge: it's a rollercoaster ride with an ending you'll never forget.

Editorial Review

Review

‘This is an ingenious plot, with some surprising but well thought out twists and turns. The pace is fast, and all aspects of the book appear to be well researched - so much so that you might wonder if the author had himself been a member of the SAS. Gritty and brutal in places, McDermott paints very strong visual images throughout the story. I loved the idea of Tom Gray being more than just your average vigilante...’ – Rachel Abbott, author of *Only the Innocent* and *The Back Road*.

‘When a writer puts together a techno thriller, he or she takes on a certain obligation: whether they know the technical specs or not, they need to deliver on the authenticity. *Gray Justice* delivers. Alan McDermott weaves us an intricate tale of military preparedness with devilish and cunning accuracy. McDermott's prose is easy to understand while still delivering the thriller punch!’ – R.S. Guthrie, author of *Blood Land*.

‘Gray Justice is a well written, fast-paced thriller that starts with a terrible tragedy when Tom Gray's son is killed by a car thief. What follows is a clever and demanding look at the inadequacies of the British punishment system and an exploration of what we, the reader, might do if we were ever put in a similar situation. (...) This is a book that will be enjoyed by all who love a well-planned story combined with thrilling action and a deeply scarred, but very capable and likeable hero.’ – David Leadbeater, author of the *Matt Drake* series.

About the Author

Alan McDermott is a husband, father to beautiful twin girls and a software developer from the south of England. Born in West Germany of Scottish parents, Alan spent his early years moving from town to town as his father was posted to different Army units around the United Kingdom. Alan had a number of jobs after leaving school, including working on a cruise ship in Hong Kong and Singapore, where he met his wife. Since 2005 he has been working as a software developer and currently creates clinical applications for the National Health Service. Alan's writing career began in 2011 and the action thriller *Gray Justice* is his first full-length novel.

Users Review

From reader reviews:
