It answers the most common questions asked by examiners, clarifies the requirements of the written and oral portions, and presents practice questions from the exam with a reference to the specific information source from where the answer may be derived. An appendix with a "Practical Test Checklist" and a condensed table of private pilot PTS maneuvers are included. The main body of questions is written in a Q & A format—with the questions the FAA checkride examiners are most likely to ask along with comprehensive, easy-to-remember responses. This guide teaches not only what to expect on the private pilot oral exam, but also how to exhibit subject mastery and confidence while under the examiner's scrutiny.
