Editorial Review

From School Library Journal

Gr 5-9-Geisel's life is broken down into seven chapters, each roughly a dozen pages long. Each double-page spread contains at least one black-and-white, captioned photograph or related sidebar. The subject's childhood and family, education, and professional ventures as a cartoonist in advertising and in writing and producing documentary films are noted in addition to his career as a children's author. Although facts about the author/illustrator's personal life are incorporated into the text, much of this book is devoted to discussing his style of writing and literary contribution. The popularity of his books is analyzed, as are their morals or themes. Descriptive language abounds, almost to the point of being distracting. General readers may be satisfied with this biography, but report writers may find wading through the descriptors to get to the facts a bit tedious. A number of books and articles about this popular author are available, though few of them have been written for this audience. A serviceable addition if needed to fill a gap, replace older titles, or round out a collection.-Kathleen Simonetta, Indian Trails Public Library District, Wheeling, IL

Users Review

From reader reviews:

Kim Bogdan:

What do you about book? It is not important together with you? Or just adding material when you really need something to explain what the ones you have problem? How about your time? Or are you busy man or woman? If you don't have spare time to accomplish others business, it is make one feel bored faster. And you have spare time? What did you do? Everyone has many questions above. They must answer that question mainly because just their can do in which. It said that about e-book. Book is familiar on every person. Yes, it is right. Because start from on guardería until university need this kind of The Importance Of Dr. Seuss (The Importance Of Series) to read.

Maria Tate:

Information is provisions for anyone to get better life, information nowadays can get by anyone with everywhere. The information can be a understanding or any news even a huge concern. What people must be consider whenever those information which is inside the former life are difficult to be find than now's taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you have the unstable resource then you have it as your main information it will have huge disadvantage for you. All of those possibilities will not happen within you if you take The Importance Of Dr. Seuss (The Importance Of Series) as the daily resource information.

Michael Hilton:

Is it an individual who having spare time and then spend it whole day simply by watching television programs or just resting on the bed? Do you need something new? This The Importance Of Dr. Seuss (The Importance Of Series) can be the reply, oh how comes? It's a book you know. You are consequently out of date, spending your free time by reading in this fresh era is common not a geek activity. So what these publications have than the others?

Ella Norman:

Do you like reading a publication? Confuse to looking for your favorite book? Or your book has been rare? Why so many query for the book? But almost any people feel that they enjoy intended for reading. Some people likes looking at, not only science book but in addition novel and The Importance Of Dr. Seuss (The Importance Of Series) as well as others sources were given knowledge for you. After you know how the good a book, you feel want to read more and more. Science e-book was created for teacher or perhaps students especially. Those guides are helping them to put their knowledge. In some other case, beside science e-book, any other book likes The Importance Of Dr. Seuss (The Importance Of Series) to make your spare time more colorful. Many types of book like here.
