The Invitation By Roxy Sloane

"It's my last night in town, and I'm not flying home until this girl is flat on her back with her ankles up around her shoulders and my dick so deep inside her she'll never want another cock again."

Hot, English businessman Ashton made a pact not to screw up his friendship with Justine 'JJ' Jenkins over a cheap one-night stand. Now, two years later, he's going out of his mind with wanting her -- but she's still off-limits. Now school is over, and his control is wearing thin. They've got one last night together, and he's determined to make it an experience she'll never forget.

The one girl he swore off is going to have the night of her life. And with a sexy game of dare on the table, it won't take long...
