The Lessons of History By Will Durant, Ariel Durant

[Read by Grover Gardner]

[Introduction written and read by John Little]

[With archival recordings of the Durants in conversation]

The authors devoted five decades to the study of world history and philosophy, culminating in the masterful eleven-volume *Story of Civilization*. In this compact summation of their work, Will and Ariel Durant share the vital and profound lessons of our collective past. Their perspective, gained after a lifetime of thinking and writing about the history of humankind, is an invaluable resource for us today. The rare archival recordings of the Durants in conversation, made from 1957-1977, illuminate our present condition and offer insightful guidance for the future.

[This audio edition includes two previously unpublished essays.]

Editorial Review

From Library Journal

This series of 13 essays on the themes and underlying lessons of history was originally written as part of the authors' 11-volume *The Story of Civilization* (1935-75). The Durants begin by summarizing periods and trends in history. They examine morals and draw conclusions by looking into changes in economics, politics, military customs, and even geographic location. Russ Holcomb reads these essays in a clear, pleasant voice, bringing life and interest to this brief overview of 5000 years of history. For general collections.

Review

"The Durants' masterpiece belongs in any home library and occupies a shelf in many." --Dana D. Kelley, *Arkansas Democrat-Gazette*

"Prime historical data and observations of humanity's past and its potential future . . . rich and witty counterpoints . . . This classic, influential work is handled impressively." --*AudioFile*

About the Author

Will Durant (1885-1981) was an award-winning American writer, historian, and philosopher. He and his wife were awarded the Pulitzer Prize for General Nonfiction in 1968 for *Rousseau and Revolution*, and he was a recipient of the Presidential Medal of Freedom. Durant spent over forty years writing the critically acclaimed eleven-volume *Story of Civilization*, the later volumes with the help of his wife, Ariel. He sought to revitalize history by unifying and humanizing the great body of historical knowledge, which had become voluminous and fragmented into esoteric subcategories. He also strove to bring philosophy to the common man. Durant was a champion of human rights, social reform, and the brotherhood of man long before they became well-known issues.

Ariel Durant (1898-1981) was a Russian-born American researcher and writer and the coauthor of the eleven-volume *Story of Civilization* with her husband Will Durant. Ariel and Will Durant were jointly awarded the Pulitzer Prize for General Nonfiction in 1968 and the Presidential Medal of Freedom in 1977. Ariel was named the 1977 Woman of the Year by the city of Los Angeles.
