Guerrilla Warfare in Civil War Missouri, 1862 By Bruce Nichols

This book is a thorough study of all known guerrilla operations in Civil War Missouri in 1862, the year such warfare became the primary type of military action there and the year that the state saw almost constant fighting. The author utilizes both well-known and obscure sources (including military and government records, private accounts, county and other local histories, period and later newspapers, and secondary sources published after the war) to identify which Southern partisan leaders and groups operated in which areas of Missouri, and describe how they operated and how their kinds of warfare evolved. The actions of Southern guerrilla forces and Confederate behind-enemy-lines recruiters are presented chronologically by region so that readers may see the relationship of seemingly isolated events to other events over a period of time in a given area. The counteractions of an array of different types of Union troops fighting guerrillas in Missouri are also covered to show how differences in training, leadership, and experiences affected behaviors and actions in the field.

Editorial Review

Review

"detailed, fast-paced, descriptive catalogue...colorful...fine, well-illustrated study" --Military Heritage

"a detailed study...includes both guerrilla raids and recruitment efforts along with descriptions of the Union efforts to thwart their activities...richly illustrated with period photographs, sketches, and maps" --Civil War Book Review

"Bruce Nichols gives us a welcome opportunity to probe more deeply into Missouri's singular experience with this type of conflict in 1862" --The Civil War Courier

About the Author

Bruce Nichols is an analyst for the United States Government in the Department of Defense. He lives in St. Louis, Missouri.

Users Review

From reader reviews:

Ila Petty:
