Por um conhecimento sincero no mundo falso: Teoria crítica, pesquisa social empírica e The Authoritarian Personality: 1 (Portuguese Edition) By Deborah Christina Antunes

Este livro preenche uma lacuna nos estudos de Teoria Crítica. De modo pioneiro no país, alia competência e clareza ao abordar a principal pesquisa empírica conduzida por Adorno e Horkheimer nos EUA: The Authoritarian Personality. Ao analisar as mediações históricas em relação à pesquisa, a autora consegue, com méritos, demonstrar que um documento de cultura deste porte expressa criticamente a barbárie do pensamento estereotipado que nutre o preconceito delirante, de tal modo que este seu livro se torna um texto de grande importância para a análise crítica das novas personalidades autoritárias.
