### Stone Embrace: A Stone Guardian After-Scene (Entwined Realms Book 2)

By Danielle Monsch

*In the New Realms, love can be the most dangerous battle of all...*

Terak has fought all enemies to claim Larissa. It doesn't matter his own Clan looks upon the union with misgivings. It doesn't matter her family see a monster when they see him.

It doesn't matter, because Larissa is *his*.

And any who would try to take her away? They'll see what a Gargoyle will do to protect his mate

---

**STONE EMBRACE** is best described as an extended epilogue to **STONE GUARDIAN**. It was written as an extra to thank fans of the *Entwined Realms* series who loved the story of a Gargoyle and a Human so much, they asked (and kept asking) for more ;)
