To Have and to Hold: A Domestic Discipline Romance (Alison and Tyler Book 1) By Eden Greenwood

After only a year of living in New York City, Alison is forced to return to her small, Midwestern hometown, flat broke and dejected. She moves back in with her parents and takes a job at her father's hardware store. She's desperate to get her life back on track and return to the city, until she reconnects with Tyler Gerald.

She hasn't seen Tyler since high school, and the ex-marine turned firefighter is more handsome and masculine than ever. Sparks fly between them, and suddenly, Alison doesn't regret moving back home.

Tyler is a noble man with an unshakable faith. He believes a man's place is at the head of the household. He expects Alison to be completely obedient, and enforces his authority with bare bottom spankings. Alison has always been independent, and she struggles to submit fully to Tyler and his strict rules. With a firm, yet loving, hand, Tyler guides her in the ways of a domestic discipline relationship.

Can Alison learn to obey? And how many times will Tyler have to lay her over his knee before she does?

To Have and To Hold is a standalone domestic discipline romance with an HEA. It contains graphic love scenes including domination and submission, and an adult woman being spanked by a man. Intended for adults only.
