Walking with the Poor: Principles and Practices of Transformational Development By Bryant Myers

In this revised and updated edition of a modern classic, Bryant Myers shows how Christian mission can contribute to dismantling poverty and social evil. Integrating the best principles and practice of the international development community, the thinking and experience of Christian nongovernmental organizations (NGOs), and a theological framework for transformational development, Myers demonstrates what is possible when we cease to treat the spiritual and physical domains of life as separate and unrelated.
