He reveals the identity of the mysterious forces behind the men who rule the world and why some of our leaders have dedicated their lives to destroying our nation. Dr. Tim LaHaye, Author, Minister, Christian Educator The future has never been more precarious for Western Civilization. Dr. Stan Monteith is one of the very few who place the blame on the Luciferians in high places who use media, government, education and other vehicles to control the mind in the long war against God for the souls of mankind. Until you understand who that enemy really is you are NOT adequately equipped to oppose it. This book will equip you! Colonel Ron Ray, USMC (Ret.), Former Deputy Assistant Secretary of Defense It has been a privilege to follow Dr. Monteith's important work and research. I recommend most highly his inquiries into the interlocked, disproportionate ability of secret societies to undermine We The People's influence and often direct much of what public men and governments do. I particularly admire his tireless research and dedication to understand the Power Elite and the invisible government, as Ephesians 6:12 declares. John Stormer, best selling author of None Dare Call It Treason Brotherhood of Darkness is an extremely valuable and comprehensive evaluation of the history and influence of the numerous conspiratorial forces working to destroy American independence and build the one world government each believes they will control. --Christian Educator
