Clinical Social Work Practice: An Integrated Approach (Advancing Core Competencies) By Marlene Cooper, Joan Granucci, Ph.D. Lesser

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book.

Integrates theory and practice on multiple levels. This title is available as a more affordable e-book with embedded media to illustrate key concepts.

Developed from the authors' experiences as practitioners and clinical faculty, *Clinical Social Work Practice, 5/e* provides students with a method for integrating clinical theories and practice with diverse clients. This student-friendly book addresses assessment within a theoretical framework that considers the use of DSM-V and the mental status exam. Richly diverse case studies, drawn from practice experience, are integrated throughout and show how theory is applied to work with individuals, families, groups, and children and adolescents. To better help students understand the field, the authors' clinical social work is presented authentically, describing both successes as well as their mistakes.

Editorial Review

About the Author

Dr. Joan Granucci Lesser, PhD, LICW is founder and practicing clinician with The Pioneer Valley Professionals a multidisciplinary mental health practice in Holyoke, MA. She is also Adjunct Associate Professor at Smith College School for Social Work where she was formerly on the full time faculty and chair of social work practice. Dr. Lesser is the co-author of Human Behavior and the Social Environment: Theory and Practice as well as a number of book chapters and papers. Dr. Lesser has presented locally, nationally and internationally on a variety of clinical topics, including the treatment of trauma in children, adolescents and the elderly; neurobehavioral disorder such as ADHD and the application of theory to clinical practice with multicultural populations. Dr. Lesser has co-conducted research related to trauma in Kingston, Jamaica and Guangzhou, China. Dr. Lesser was the 2012 NASW Ma Chapter recipient of the award for greatest contribution to social work practice. Dr. Marlene Cooper is Associate Professor at Fordham University Graduate School of Social Service, where she is currently co-chair of the curriculum committee and form chair of the clinical area. She has a private practice for children and families in East Brunswick, NJ. Dr. Cooper has written numerous articles and book chapters on clinical issues and has presented her work locally, nationally and internationally. She and Dr. Lesser shared research projects in Jamaica West Indies and Guangzhou China, where Dr. Cooper also presented on suicide risk assessment. Dr. Cooper will be teaching in Beijing China this summer at China Youth University, as part of a collaboration with Fordham university. She was an invited member at Sun Yat Sen University task force on migrant health policy. Dr. Cooper is former President of NASWNJ and an active committee member.

Users Review

From reader reviews:

Fidel Auxier:

What do you with regards to book? It is not important along? Or just adding material when you require something to explain what you problem? How about your free time? Or are you busy person? If you don't have spare time to accomplish others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everyone has many questions above. They have to answer that question due to the fact just their can do that. It said that about publication. Book is familiar in each person. Yes, it is proper. Because start from on kindergarten until university need this Clinical Social Work Practice: An Integrated Approach (Advancing Core Competencies) to read.

Judith Mandel:

Spent a free time to be fun activity to do! A lot of people spent their spare time with their family, or their own friends. Usually they undertaking activity like watching television, about to beach, or picnic in the park. They actually doing ditto every week. Do you feel it? Do you want to something different to fill your own personal free time/ holiday? Could be reading a book may be option to fill your cost-free time/ holiday. The first thing that you will ask may be what kinds of book that you should read. If you want to test look for book, may be the e-book untitled Clinical Social Work Practice: An Integrated Approach (Advancing Core Competencies) can be very good book to read. May be it might be best activity to you.

Shaun Richards:

Playing with family in the park, coming to see the sea world or hanging out with pals is thing that usually you could have done when you have spare time, subsequently why you don't try point that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Clinical Social Work Practice: An Integrated Approach (Advancing Core Competencies), you can enjoy both. It is good combination right, you still would like to miss it? What kind of hang type is it? Oh come on its mind hangout men. What? Still don't understand it, oh come on its known as reading friends.

Peter Beaton:

In this time globalization it is important to someone to obtain information. The information will make someone to understand the condition of the world. The healthiness of the world makes the information better to share. You can find a lot of references to get information example: internet, paper, book, and soon. You can see that now, a lot of publisher this print many kinds of book. The actual book that recommended for you is Clinical Social Work Practice: An Integrated Approach (Advancing Core Competencies) this publication consist a lot of the information with the condition of this world now. This particular book was represented so why is the world has grown up. The language styles that writer use for explain it is easy to understand. Often the writer made some study when he makes this book. Here is why this book ideal all of you.
