Flesh of the Orchid By James Hadley Chase

James Hadley Chase (René Brabazon Raymond) was born in London in 1906 and started his career as a bookseller. With the aid of a dictionary of American slang and reference books on the American underworld he wrote his first novel, *NO ORCHIDS FOR MISS BLANDISH*, over six weekends. The book achieved remarkable popularity and became one of the best-sold books of the decade. *FLESH OF THE ORCHID* is a wild, thrill-ride of a sequel to *NO ORCHIDS*. Taking up the story 22 years later, the central figure is once again a Blandish girl, but Carol Blandish is not the helpless victim that her mother was. Indeed, she is a volatile blend of simmering sexuality, strained innocence and hair-trigger cruelty. Her explosive outbursts of savage violence make her a force to be reckoned with. Escaping from a mental institute during a raging storm, and definitely off her meds, Carol Blandish is soon pursued by a seedy cast of characters who all want a piece of the Blandish fortune. The novel bristles with crazy plot twists, edge-of-the-seat suspense and intriguing low-life's who mix it up for an immensely enjoyable read.
