**Flood Tide (Dirk Pitt, No. 14)** By Clive Cussler

**AN UNDERWATER GRAVEYARD IN THE PACIFIC NORTHWEST...A MYSTERIOUS SEAPORT IN THE LOUISIANA BAYOUS...A DIABOLICAL PLOT TO DESTROY AMERICA!**

When NUMA agent DIRK PITT® rescues a beautiful undercover agent in a daring underwater operation at Orion Lake, just north of Seattle, he confronts a sinister network run by Qin Shang, a ruthless smuggler who sells Chinese immigrants into slavery. Shang's campaign contributions have bought him a collection of powerful U.S. politicians, but Pitt is not a man to be subverted by politics. As he moves to probe Shang's mystifying seaport in the Louisiana bayous, his investigation involves him in an adrenaline-pumped race up the Mississippi River and a desperate dash to recover sunken Chinese treasures lost half a century before. And in Qin Shang, Pitt faces ones of his most formidable foes -- a madman bent on killing thousands of innocent civilians with a catastrophic surge of mass destruction.

## Editorial Review

### Amazon.com Review

When a hero whose name never appears in print without a registered trademark symbol beside it sets out on a new adventure, readers should know what to expect: a great deal of derring-do, outlandish adventures, and fantastical scenarios. For Dirk Pitt, reality is an inconsequential construct. What matters is the U.S. National Underwater and Maritime Agency (NUMA) superhero's unflagging energy, wit, strength, sex appeal, and patriotism. In this tale of a Chinese billionaire who plans to divert the mighty Mississippi in order to expand his illegal smuggling ring, find a treasure lost at sea nearly half a century ago, and, incidentally, split the U.S. into three countries controlled by China, Cussler's American version of James Bond struggles to save the day. All his trusty sidekicks are here, including Al Giordino, a regular partner in Pitt's underwater adventures, and Admiral Sandecker, the NUMA commander. This time there's a beautiful Chinese American INS agent as the love interest, and a mendacious American president, too. *Flood Tide* is a romp that will tickle Pitt and Cussler's many fans, as well as readers new to this author who may find themselves stranded on the tarmac or tanning on Caribbean beaches. --*Jane Adams*

### From School Library Journal

YA. Once again, the indestructible Dirk Pitt saves the country from possible economic collapse, while at the same time destroying an evil villain, finding a lost treasure, and saving a woman's life. The vividly described action takes readers from the ports of Hong Kong to picturesque Washington State and to the final showdown on the Mississippi River in Louisiana. As each problem seems to be solved, larger and more dangerous events occur, such as the seemingly unexplainable smuggling of thousands of illegal Chinese immigrants. Our hero finds himself trapped with these poor, abused refugees who are about to be murdered. Each turn and twist continues to build anxiety and heighten suspense. The eye-catching cover of this novel should entice readers to open its pages, where they will soon find themselves engrossed in this enthralling adventure. ?Anita Short, W. T. Woodson High School, Fairfax, VA
