Mercy: A Dark Erotica By Lucian Bane

WARNING

There are memories and actual scenes in the story that could be triggers for those who have suffered abuse. I did my best to shelter the reader at the more abusive parts while bringing to life this story of darkness meeting mercy, (who is a woman named Mercy, in this story). So read with caution.

As a sadomasochist, Sade just wants to get and give pain in manageable and somewhat legal doses.

All Mercy wants is to walk in her father's footsteps--a man who sacrificed everything to save her from a life of abuse and suffering.

When Mercy finds an envelope on her doorstep leading her to Sade, the result is a collision of pain and mercy.

For Sade, Mercy's kindness is dessert for his sadism, and her strength has his masochism hot and begging. Exploiting both for his own pleasure is his plan until he realizes that Mercy's got her own love bites game. And playing it requires something he's never had.

It's always my intention to write stories involving the roads less traveled. Because in reality, those are the roads we're all on.

About the Author

I like writing tales where the heros and heroines honor and protect those they love. Forever romances I like to call them. Because true love never dies.
