Perfect Couple (The Superlatives Book 2) By Jennifer Echols

In this second book in The Superlatives trilogy from *Endless Summer* author Jennifer Echols, Harper and Brody think they're an unlikely match—but the senior class says they belong together.

As yearbook photographer, Harper is responsible for those candid moments that make high school memorable. But her own life is anything but picture perfect. Her parents' bitter divorce left her wondering what a loving relationship looks like. And ever since the senior class voted her and star quarterback Brody "Perfect Couple That Never Was," her friends have been pushing her to ask Brody out.

Brody doesn't lack female admirers, but Harper can't see herself with him. He's confused about the match too. Yet they find themselves drawn together—first by curiosity about why the class paired them, then by an undeniable bond.

The trouble is, though they're attracted to each other, they have a hard time getting along or even communicating well. If they're the perfect couple, this shouldn't be so difficult! Soon it becomes clear their class was wrong, and they throw in the towel. But they feel so changed from making the effort, they can't forget each other. What if this match made in hell is the perfect couple after all?

Editorial Review

From School Library Journal

Gr 10 Up—When Harper and Brody are voted "The Perfect Couple That Never Was" during their senior year at their Florida high school, they find that it's hard to resist exploring if their classmates are right. Challenges to their potential relationship include Harper's actual boyfriend, Kennedy. While flirtatious Harper may not always be likable or the best role model, the teen is a realistic protagonist and this narrative is engaging and fun with a bit of football, drama, and photography. The author's portrayal of high school antics and images are spot-on. Make-out scenes and heavy petting will make this a choice for older teens. Eventually, most of the clothing does come off, but the duo responsibly chooses not to have unprotected sex. Teens looking for an easy read or an edgy romance will be entertained. Angst continues to surround Tia and Will from *Biggest Flirts* (Bloomsbury, 2014), but they play minor characters in this installment. While the books are part of a series, they stand alone and don't have to be read in order. Even reluctant readers will get sucked into the drama of this year's *Perfect Couple*.—Karen Alexander, Lake Fenton High School, Linden, MI

Review

"Engaging and fun." (School Library Journal)

About the Author

Jennifer Echols was born in Atlanta and grew up in a small town on a beautiful lake in Alabama—a setting that has inspired many of her books. Her nine romantic novels for young adults have been published in seven languages and have won the National Readers' Choice Award, the Aspen Gold Readers' Choice Award, the Write Touch Readers' Award, the Beacon, and the Booksellers' Best Award. Her novel *Going Too Far* was a finalist in the RITA and was nominated by the American Library Association as a Best Book for Young Adults. She lives in Birmingham with her husband and her son.
