Editorial Review

About the Author

Daniel is a property renovator/investor and lives in a small cottage in the Lincolnshire Wolds, in the UK, an area of outstanding natural beauty. He enjoys nature, the countryside, and the natural rhythm of Earth, life, and the Universe itself. He loves stillness and practices this each day and upon each hour. Each day he takes time out to go into Deeper Relationship with his Higher Self and allows his Greater Deeper mind to emerge, becoming a more powerful embodiment of it day by day. Within this Deep Sacred State of meditation, and sometimes spontaneously throughout the day or night, the Deeper Currents and Pearls of Wisdom that are received from the deeper sacred space within are written down as Gifts for all. Wisdom of the Eternal was birthed forth from this deeper communication with God The Creator. It is a Revelation for all Times and All People. Use the Insights and Knowledge, apply it in your life and in the world well, for it was meant for you and Now you have received it. "BE L(((O)))VE"
