Spark (Legends of the Shifters Book 1) By J.B. North

For more than a decade, Ivy Oliver has lived in a dark, crumbling orphanage where she was sent after her parents' death. Her only hope for a life of simplicity and happiness is the trial, a test that frees her second form from where it's been buried since her birth.

That hope is dashed, however, when she transforms into a creature that rips her away from the only friends she's ever had and ensures that her enemies are numerous. She is dragged unwillingly to a school that will discipline her in the ways of survival and defense. There, she makes both friend and foe. She discovers things she never knew about her past and her future. This tiny, insignificant girl is faced with a crushing destiny that might be too staggering for her to bear. She will have to abandon her shy, quiet demeanor and take on a fearless spirit if she wants to survive.
