Strategy in the 21st Century By Randall Rollinson and Earl Young

Strategy in the 21st Century fills an important gap for managers as they struggle to implement strategy within their organizations. Strategy discussion is relatively easy; strategy planning is harder. This text goes even further in helping managers navigate the very difficult phases of strategy implementation and evaluation. The authors' deep experience in developing strategic management tools and processes provides readers with a structured methodology by which to understand and work through strategy execution throughout their organizations. It was a great read. I look forward to recommending it to colleagues, students and business associates. Peter Goldsmith, PHD Associate Professor of Agribusiness Management Department of Agriculture and Consumer Economics University of Illinois Rollinson and Young capture and outline the tools and techniques necessary to develop and implement a powerful and pragmatic strategic plan-from initial analysis through implementation management. It is clear, concise and comprehensive. The introduction and overview alone are invaluable as a digest of the best strategic management tools and thinking of the past fifty years. Coupling that introduction with a step-by-step approach to applying those tools in a real-world planning and strategic management process makes this book a must-have for executives' and strategy professionals' bookshelves. John Sterling President, Strategic Management Association Partner, Smock Sterling Strategic Management Consultants If you are in a leadership position, a CEO, a manager or a strategy professional looking for a practical approach to strategy development and deployment and how to manage once you do...read this book. The lessons and tools it delivers can be applied in any sector of engagement, be it private or public. It hits the nail on the head! Timothy J. Trotter President, Association for Strategic Planning Manager of Strategic Planning, DuPage County, Illinois

Editorial Review

Users Review

From reader reviews:

Thomas Murray:

Do you have favorite book? For those who have, what is your favorite's book? Publication is very important thing for us to learn everything in the world. Each publication has different aim or perhaps goal; it means that publication has different type. Some people really feel enjoy to spend their a chance to read a book. They are reading whatever they take because their hobby is reading a book. Think about the person who don't like reading through a book? Sometime, person feel need book when they found difficult problem or maybe exercise. Well, probably you'll have this Strategy in the 21st Century.

Brandon Jenkins:

This Strategy in the 21st Century tend to be reliable for you who want to be considered a successful person, why. The main reason of this Strategy in the 21st Century can be on the list of great books you must have is actually giving you more than just simple reading food but feed an individual with information that perhaps will shock your prior knowledge. This book will be handy, you can bring it all over the place and whenever your conditions at e-book and printed people. Beside that this Strategy in the 21st Century forcing you to have an enormous of experience for instance rich vocabulary, giving you trial run of critical thinking that we know it useful in your day action. So , let's have it and enjoy reading.

Jesse Fox:

The actual book Strategy in the 21st Century will bring you to the new experience of reading a new book. The author style to explain the idea is very unique. Should you try to find new book you just read, this book very suitable to you. The book Strategy in the 21st Century is much recommended to you to see. You can also get the e-book from official web site, so you can more readily to read the book.

Maureen Bonds:

Playing with family inside a park, coming to see the water world or hanging out with friends is thing that usually you might have done when you have spare time, after that why you don't try matter that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love Strategy in the 21st Century, it is possible to enjoy both. It is very good combination right, you still would like to miss it? What kind of hangout type is it? Oh can happen its mind hangout fellas. What? Still don't understand it, oh come on its known as reading friends.
