**To Catch a King** By Jack Higgins

**From the *New York Times*–bestselling author Tom Clancy called “the master”:** In war-torn Lisbon, a bartender and a nightclub singer are caught up in a treacherous Nazi plot.

As the Nazi war machine prepares to invade England, Hitler plots to kidnap the Duke and Duchess of Windsor while they travel in Portugal, and install them as puppet monarchs under the thumb of his fascist regime.

But when an American bartender and a young Jewish nightclub singer catch wind of the scheme, they set out to derail the Nazi conspiracy. As Hitler’s henchmen close in, their thrilling rescue mission—and the surprising help it receives—will have the power to turn the tide of the Nazi progress toward European domination.

### Editorial Review

Review

“Jack Higgins is the master.” —Tom Clancy

About the Author

Jack Higgins is the *New York Times*–bestselling author of more than sixty thrillers that have sold over 250 million copies worldwide, including *The Eagle Has Landed* and *The Wolf at the Door*. Before beginning his writing career, Higgins served in the British Army along the East German border. He lives in the Channel Islands.

[Editor's Note: The following is a combined review with WRATH OF THE LION.]--These two thrillers from the master of the craft feature adept abridgments and lively performances. Christopher Lee presents a polished reading of TO CATCH A KING, including skilled characterizations of male and female spies and Nazis. His flawless timing holds listener interest from start to finish. Nicol Williamson's WRATH OF THE LION, though well read, suffers from an annoyingly uneven audio mixing. Elderly characters drop to inaudible levels, while the bad guys hurt your ears. And his perfect interpretations of French characters speaking English are so French that the English words are nearly impossible to understand.
