50 Simple Things You Can Do to Save the Earth: All New! Updated for the 21st Century By John Javna, Sophie Javna, Jesse Javna

Together, We *Can* Make a Difference

Today's environmental problems may seem too overwhelming for one person to tackle . . . but you don't have to do it alone. Now you have partners--50 of them.

50 Simple Things, the revolutionary 1990 bestseller, is back in a completely revised, updated edition . . . and it's just as innovative and groundbreaking as the original. The authors have teamed up with 50 of America's top environmental groups, including The Natural Resources Defense Council, the National Wildlife Federation, and Rainforest Action Network. Each group has chosen one issue and provided a simple, step-by-step program that will empower you and your family to become citizen activists in the fight to save the Earth.

It's easy to get started. Just pick one!

Fight global warming "one city at a time" with the Sierra Club's Cool Cities Campaign
Roll up your sleeves and save an endangered species with the Wilderness Society
Protect coral reefs and create a marine reserve with Seacology
Get your congregation excited about protecting God's creations with Interfaith Power and Light
Invite songbirds into your neighborhood with the National Audubon Society

All it takes is a little effort. When we work together, we can work miracles! Get started *now*!
