Beijing, Beijing By Feng Tang

In the 1990s, as China continues to embrace—and grapple with—the global market economy, Qiu Shui and his friends attend med school, an ambition that has more to do with getting out of the country than with actually becoming doctors. Following the exploits of a young student and his classmates, from drinking binges, sex, and playing video games all night to military training, homework, and college-age high jinks, *Beijing, Beijing* provides an inventive, hilarious, and incisive look into how a culture—and one man—struggle to reconcile their past with the changes brought by modern times. As the years pass and friends, family, and lovers move on, Qiu Shui confronts the loneliness and confusion that define his generation.

Editorial Review

About the Author

Feng Tang was born in 1971 in Beijing. His real name is Zhang Haipeng, and he's a Taurus. He studied at Peking Union Medical College from 1990 to 1998 and earned a doctorate in clinical medicine with a specialization in gynecologic oncology. He received an MBA in business management in the United States and has worked as a consultant for McKinsey & Company. He currently lives in Hong Kong. His novels include the trilogy *Give Me a Chick at 18*, *Everything Grows*, and *Beijing, Beijing* and the standalone titles *Happiness* and *Oneness*. His short stories include "Pigs and Butterflies," "You Live and Live and Then You're Old," "How to Become a Monster," and "36 Biggies of Life." He has written a collection of poems entitled *One Hundred Poems of Feng Tang*. *Beijing, Beijing* is his debut in English.

Users Review

From reader reviews:

Melissa Wilcox:

Beside this specific Beijing, Beijing in your phone, it could give you a way to get nearer to the new knowledge or facts. The information and the knowledge you will get here is fresh through the oven so don't become worry if you feel like an older people live in narrow town. It is good thing to have Beijing, Beijing because this book offers for you readable information. Do you oftentimes have book but you don't get what it's exactly about. Oh come on, that won't happen if you have this with your hand. The Enjoyable agreement here cannot be questionable, similar to treasuring beautiful island. So do you still want to miss the idea? Find this book in addition to read it from currently!

Joann Hamilton:

Don't be worry should you be afraid that this book will certainly filled the space in your house, you will get it in e-book way, more simple and reachable. This particular Beijing, Beijing can give you a lot of buddies because by you considering this one book you have point that they don't and make you actually more like an interesting person. That book can be one of one step for you to get success. This guide offer you information that perhaps your friend doesn't learn, by knowing more than some other make you to be great individuals. So , why hesitate? Let me have Beijing, Beijing.

Lynn Lambert:

What is your hobby? Have you heard which question when you got learners? We believe that that concern was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. Therefore you know that little person including reading or as examining become their hobby. You should know that reading is very important as well as book as to be the matter. Book is important thing to include you knowledge, except your personal teacher or lecturer. You see good news or update in relation to something by book.

Numerous books that can you choose to adopt be your object. One of them is niagra Beijing, Beijing.

Justin Davis:

A lot of people said that they feel weary when they reading a e-book. They are directly felt that when they get a half parts of the book. You can choose the particular book Beijing, Beijing to make your own reading is interesting. Your skill of reading proficiency is developing when you just like reading. Try to choose easy book to make you enjoy to see it and mingle the feeling about book and examining especially. It is to be initial opinion for you to like to available a book and examine it. Beside that the e-book Beijing, Beijing can to be your friend when you're sense alone and confuse in what must you're doing of that time.
