Black Keys (The Colorblind Trilogy Book 1) By Rose B. Mashal

Over 850 FIVE and four stars on Goodreads and Amazon.

A Muslim Arab Prince with a heavy weight of responsibilities on his shoulders and a young Catholic American woman with a dark, haunted past living inside her heart. Unexpectedly thrust together in a deal of betrayal brokered by her brother, the last thing she imagines when she goes to his wedding in a kingdom far away from her home, is to find out that it's her own wedding, as well.

A bright, independent CEO struggling to live this new life, where the traditions and rules are too numerous to keep up with, and an attractive, intelligent prince wanting nothing more than for his bride to find the black keys.

Fate steps in to teach the troubled new princess a few lessons about love, life, understanding, and acceptance, while destiny forces the Crown Prince into allowing his beautiful wife to break a rule or two.

Because when it comes to love, rules blur and traditions fade.
