Dream Culture: Bringing Dreams to Life By Andy Mason, Janine Mason

...a desire fulfilled is a tree of life. Proverbs 13:12

How would it feel to have someone not only believe in you and your dreams, but also work alongside you to help those dreams become reality? What would it be like if we lived in a community where everyone was intentionally seeking to encourage and empower on another to discover their purpose and live their dream? We believe this kind of community is possible and it starts with you and me. So, what is your dream and how can we help you live it well?

The purpose of Dream Culture is to help you partner with Father God, unlock the dreams and desires of your heart and empower you to make them a reality. Our hope is that this book will be a catalyst and companion to you on your Dream Journey as you rediscover dreams and desires planted in your heart before time began, turn these dreams into simple action steps and then overcome challenges along the way. Each chapter contains simple and relevant teaching, inspirational, real-life stories and practical Dream Activation Exercises. The Dream Activation Exercises at the end of each chapter will show you how to turn your ideas into action steps and help you develop an intentional lifestyle of bringing your dreams to life.

Dream Culture Endorsements

"Dream Culture: Bringing Dreams to Life is a wonderful tool in our mandate to partner with God for the impossible. This book puts legs on the desire to have fulfilled dreams in our efforts to honor the Lord through every part of our lives. Andy and Janine take the reader on a journey through mind-stretching exercises that build hope while helping to define our purpose. This book not only shows us how to dream; it awakens us to our responsibility to live towards the impossible. Rare is the book that is so intensely practical yet so powerfully supernatural. Dream Culture embodies both beautifully. I look forward to seeing the effect this book will have on the hearts and minds of believers around the world."

Pastor Bill Johnson, Author of *When Heaven Invades Earth*

"I am so excited about what Andy and Janine are bringing because it is a set of tools and paradigms to help inspire people in hope, strength and courage toward their dreams. Please enjoy and flourish as you learn and apply Dream Culture to

your life and that of your environment."

Danny Silk, Author of *Culture of Honor*

"Surveys show that nearly eighty-five percent of Christians live passive, unfulfilled lives. That's about to change! Dream Culture by Andy and Janine is a transformational dream coaching tool to help you release the dream God has placed in your heart. As a dreamer, everything I need is in this book to help me become a greater history-maker and world-changer."

Leif Hetland, Founder and President – Global Mission Awareness. Author of *Seeing Through Heaven's Eyes*

Andy and Janine Mason bring a profound workbook and tool that is one part life coach, one part counselor, and a major direction builder in your relationship to your life and destiny. I read the book 3 times the first month I got it and it changed the way I minister to people because of its insight. Anyone who is in transition or in need of greater direction or doesn't have specific ideas of how to pursue dreams should read this book. It will really help you journey through a deliberate process of thinking that is both biblical based and inspirationally triggered. I give this book my highest recommendation for the subject.
