### Healer By B N Toler

"Submerged in a world of sex, danger, and vampires, will Aldo find the answers she seeks before it's too late?" HEALER There is balance in life most know nothing about. Some are put here to simply exist, while others have been placed here to ensure life. Healers such as Aldo Lawson understand the power of their gift, although at times, it seems more a curse. Upon meeting a handsome young healer named Thomas, Aldo's life heads into a tailspin. With his arrival, Aldo's aunt is forced to share a hard and scary truth—vampires exist. And not only do they exist, but they thirst for healer blood. Despite this new and frightening information, Aldo longs for a normal senior year. So close to achieving her goal, her world turns upside down when her aunt is murdered and Thomas disappears. Riddled with questions, she sets out to find him. Submerged in a world filled with sex and danger, Aldo hopes to find the vampires that will lead her to Thomas. When they find her first, she is forced to piece together truths, deal with her pain, and find that not everything is what it seems.

### Users Review

#### From reader reviews:

#### Joseph McNeal:

In this 21st millennium, people become competitive in each and every way. By being competitive right now, people have to do something to make these people survive, being in the middle of the crowded place and notice by simply surrounding. One thing that oftentimes many people have underestimated the idea for a while is reading. Yeah, by reading a guide your ability to survive boost then having chance to endure than other is high. For yourself who want to start reading a book, we give you this specific Healer book as starter and daily reading book. Why, because this book is usually more than just a book.

#### Arlene Farmer:

This Healer tend to be reliable for you who want to certainly be a successful person, why. The reason why of this Healer can be on the list of great books you must have is definitely giving you more than just simple reading through food but feed an individual with information that maybe will shock your earlier knowledge. This book is handy, you can bring it just about everywhere and whenever your conditions throughout the e-book and printed types. Beside that this Healer forcing you to have an enormous of experience including rich vocabulary, giving you tryout of critical thinking that we know it useful in your day exercise. So , let's have it and luxuriate in reading.

#### Nellie Nelson:

Playing with family in a very park, coming to see the marine world or hanging out with close friends is thing that usually you might have done when you have spare time, after that why you don't try thing that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Healer, you may enjoy both. It is good combination right, you still need to miss it? What kind of hang-out type is it? Oh occur its mind hangout men. What? Still don't obtain it, oh come on its referred to as reading friends.

#### Thomas Moss:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library in

order to make summary for some guide, they are complained. Just minor students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Healer can make you truly feel more interested to read.
