Music of the Heart By Katie Ashley

For Abby Renard, the plan was supposed to be simple—join her brothers' band on the last leg of their summer tour and decide if she's finally ready for the limelight by becoming its fourth member. Of course, she never imagined stumbling onto the wrong tour bus at Rock Nation would accidentally land her in the bed of Jake Slater, the notorious womanizing lead singer of Runaway Train. When he mistakes her for one of his groupie's, Abby quickly lets him know she sure as hell isn't in his bed on purpose. Jake Slater never imagined the angel who fell into his bed would resist his charms by promptly kneeing him in the balls. Of course, the fact she seems like a prissy choir girl makes her anything but his type. So he is more than surprised when after betting Abby she wouldn't last a week on their tour bus, she is more than willing to prove him wrong. But as Jake's personal life begins to implode around him, he finds an unlikely ally in Abby. He's never met a woman he can talk to, joke with, or most importantly make music with. As the week starts comes to a close, neither Abby nor Jake is ready to let go. Can a sweetheart Country songstress and a bad boy of Rock N Roll actually have a future together?

About the Author

Katie Ashley is a pseudonym for Krista Ashe, the New York Times bestselling author of *The Proposition*, *The Proposal*, and *Nets and Lies*, along with several young adult titles. Prior to becoming a full-time writer, Katie taught both middle and high school English. She lives outside of Atlanta, Georgia.

Justine O. Keef's sultry voice, keen characterizations, and spirit of discovery make her a top pick for narrating erotic prose. With an extensive background in live storytelling and as an author of short erotic fiction, Justine's natural transition to narration is sure to please.

Mason Lloyd is an audiobook narrator from Portland, Oregon. With his deep and warm voice, he's found a niche in the romance and erotic fiction genres and loves every minute of it.

Users Review

From reader reviews:

Patricia White:

Information is provisions for people to get better life, information today can get by anyone from everywhere. The information can be a know-how or any news even a problem. What people must be consider whenever

those information which is from the former life are difficult to be find than now could be taking seriously which one would work to believe or which one the particular resource are convinced. If you have the unstable resource then you understand it as your main information it will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Music of the Heart as the daily resource information.

Shirley Morales:

Reading a e-book tends to be new life style in this era globalization. With looking at you can get a lot of information that will give you benefit in your life. Together with book everyone in this world can certainly share their idea. Books can also inspire a lot of people. A great deal of author can inspire their particular reader with their story as well as their experience. Not only the story that share in the books. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors nowadays always try to improve their expertise in writing, they also doing some research before they write for their book. One of them is this Music of the Heart.

Edward Yung:

In this period globalization it is important to someone to acquire information. The information will make anyone to understand the condition of the world. The condition of the world makes the information better to share. You can find a lot of referrals to get information example: internet, magazine, book, and soon. You can view that now, a lot of publisher that print many kinds of book. The particular book that recommended to you is Music of the Heart this book consist a lot of the information in the condition of this world now. This book was represented how does the world has grown up. The words styles that writer make usage of to explain it is easy to understand. Often the writer made some exploration when he makes this book. That is why this book suited all of you.

Lena Lewis:

Is it an individual who having spare time then spend it whole day by simply watching television programs or just resting on the bed? Do you need something new? This Music of the Heart can be the respond to, oh how comes? A fresh book you know. You are so out of date, spending your time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?
