Pleiadian Emissary to Gaia: A Journey Between Worlds By Solara An-Ra

Solara An-Ra narrates her fascinating life story in which, aged four, she makes a contract to be a “Pleiadian Emissary to Gaia.” This soul agreement brings great challenges in her early years as she, like so many humans, struggles to remember and fulfil her mission in this incarnation. This frank, unabashed, and at times hilarious account of the highs and lows of Solara’s path of spiritual awakening makes for a joyful and compelling read, even more captivating because of many photos accompanying the journey. The fact that there is immense spiritual power woven throughout her chronicle can almost be forgotten in the pleasure of the ride. We are invited to voyage alongside her as she yoyo’s between her everyday existence and the captivating world that opens as she becomes a channel for the star people. More than a book, this is a portal into the invisible dimensions that are as much a part of your reality as the world you see around you. Immersing yourself in this “journey between worlds” necessitates that your way of perceiving Earth life expands past the limiting confines of what you have been taught. The story Solara shares here, with her characteristic sense of humour and honesty, is a reminder to all of us that the universe has a few tricks up its sleeve when it comes to waking us up. It will invariably shake us out of our complacency by landing us in the eye of the hurricane – and just when we think all is lost, we find a way into the peace and power which is our birth-right. The Time Is Now!

About the Author

Solara An-Ra is an internationally recognised teacher and channel from South Africa ~ a global leader in the transformation of our civilisation and planet. Over-lighted by advanced star beings in her early youth in South Africa, her life has been a guided, dedicated, gift to us all. Through her offerings as a direct-voice channel, seekers across the planet have come to know and love members of the Councils of Light, who come from higher dimensional star systems, including the Pleiades, Sirius, Arcturus and Andromeda. Solara shares channelled messages and meditations from the Star Councils with over 33,000 subscribers on her YouTube channel and website, providing guidance, tools and community to a world searching for meaning. She has a combined download/view count of over 6 million for the guided meditations that she provides freely, teaching vital skills towards manifesting an empowered, fulfilling and heart-centred life. Her website acts as a portal, proffering the wisdom that she has accessed on her path of service to the people of Earth; the Light Tribe of Gaia. For many years Solara travelled the globe, alone and with groups, opening portals and reactivating sacred sites in order to reinstate a long-awaited “Golden Age” on our planet. Now in the quieter Magic Weaver phase of her life, she serves from the Centre of Light she has created on the island of Ibiza, teaching and hosting spiritual groups from her new home.
