Primitive By Mark Nykanen

Sonya Adams steps into a limo at a Montana airport expecting to be driven to her next modeling assignment. Minutes later she realizes the horrifying truth: she's been tricked and kidnapped. Plunged into the world of a neo-primitive survivalist cult in the snow-locked mountains of the Pacific Northwest, Sonya becomes a pawn in their mission to reveal a doomsday environmental secret -- a secret the government and the energy corporations will kill to keep.

Former Nbc News Correspondent Mark Nykanen is a four-time Emmy winner and an Edgar-winning documentarian. Now, as the author of acclaimed thrillers including Hush, Search Angel and The Bone Parade, he takes readers on a chilling journey into intrigue and terror.

Editorial Review

Review

It's not just a page-turner, it's a head-turner. It's Dan Brown meets Al Gore. You can't stop reading and once you're done, you can't stop thinking about its messages. A book that bookstore employees will hand-sell to customers and those customers will then insist their friends read. --Dale Dauten, King Features

More frightening than any vision of our future, Mark Nykanen's Primitive depicts the reality of the here and now. A timely and stunning vision of what happens when true-believers clash, catching innocents in the middle. --Ed Stackler, editor of New York Times-bestselling authors Greg Iles, Ridley Pearson, Ted Dekker, and others.<

Primitive captures the raw and rugged high alpine environment, a powerful, emblematic setting for this furiously-paced thriller about a mother and daughter, and the radical environmentalists who want to use them to deliver a desperate message to the world. -- --Christopher Van Tilburg, author of Mountain Rescue Doctor

From the Inside Flap

Sonya Adams steps into a limo at a Montana airport expecting to be driven to her next modeling assignment. Minutes later she realizes the horrifying truth: she's been tricked and kidnapped. Plunged into the world of a neo-primitive survivalist cult in the snow-locked mountains of the Pacific Northwest, Sonya becomes a pawn in their mission to reveal a doomsday environmental secret -- a secret the government and the energy corporations will kill to keep.

About the Author

ABOUT THE AUTHOR: Mark Nykanen is an Emmy and Edgar-winning former NBC News Correspondent and the acclaimed author of three previous thrillers for major publishers: SEARCH ANGEL, THE BONE PARADE, and HUSH.

Praise for Nykanen's books: Emmy and Edgar-winning journalist Nykanen uncovers his characters' psyches with wit, complexity, and originality...Nykanen's attractively unpredictable characters will keep a stubborn hold on readers' attention. Publishers Weekly.

[Chet Boyce] makes Hannibal Lector seem like a nice guy with an eating disorder. St. Louis Post-Dispatch.

The creepiest page turner since The Silence of the Lambs. US Weekly

The Bone Parade is an ...irresistible suspense thriller... Outstanding is Nykanen's deep look into modern sculpture, which gives the story its weight, relish and richness...

Pages bronzed with horror. Kirkus Reviews (starred)

When half of a thriller is written from the perspective of an egomaniacal sculptor cum serial killer who methodically tortures whole families, takes casts of their bodies at the height of their terror, and turns them into acclaimed works of art well, it's a lot for any reader to swallow. And yet Parade goes down easy. Really easy. Entertainment Weekly

—

Readers will come face-to-face with one of the most disturbing villains since Hannibal Lector. The Vancouver Sun

Nykanen crafts another masterfully creepy thriller. Seattle Post-Intelligencer

Nykanen (The Bone Parade) mines the complex world of abandonment, adoption and birth mother searches in an extremely bloody serial killer thriller that takes derivative elements (the female-in-peril plot; the psychotic, abused-as-a-child murderer) to new heights of creepiness...

Portland-based Suzanne Trayle is a famous search angel; a sort of private detective for adoptees looking for their biological parents. The serial killer, a psychiatrist, lives in Phoenix and travels the country murdering mothers who gave up their babies for adoption. Publishers Weekly

Users Review

From reader reviews:

Theresa Frost:

Typically the book Primitive has a lot of details on it. So when you read this book you can get a lot of profit. The book was authored by the very famous author. This article's author makes some research ahead of writing this book. This specific book is very easy to read; you may get the point easily after reading this article book.

Catherine Lyons:

Playing with family inside a park, coming to see the ocean world or hanging out with good friends is something that usually you may have done when you have spare time, in that case why you don't try factor that really opposite from that. 1 activity that makes you not experience tired but still relaxing, thrilling like on a roller coaster you already been ride on and with addition associated with. Even you love Primitive, it is possible to enjoy both. It is a very good combination right, you still need to miss it? What kind of hangout type is it? Oh seriously it's mind hangout guys. What? Still don't have it, oh come on it's identified as reading friends.
