## **Editorial Review**

About the Author

ALEXANDRA NORTH...

... is an Amazon bestselling author who came onto the writing scene in 2014. She writes romance, with erotic themes, humour, drama and often suspense and there is always a HEA at the end of a book/series.

Ms. North lives in the rambling lush hills of Yorkshire, United Kingdom with her swoon-worthy husband and two children, 15 and 9. She worked as a Graphic Designer & Illustrator, for over 18 years before she wrote her first book and now combines design and writing in this new path when creating her book covers and teasers.

Writing was always a hobby and took a back seat to University, work, parenthood and unfortunately later, chronic long-term illness. One day she woke and thought 'life's too short - I'm going to finish that blummin book!' She now devotes her time to writing love stories full of humour and naughtiness. When she isn't manically typing away or trying to be the model wife and mum, Alexandra can be found shoe shopping (shoes are her weakness), cosying up with back-to-back TV series and enjoying her very own Sebastian Silver.
