#### About the Author

James Howe is the author of more than ninety books for young readers, including the modern classic *Bunnacula* and its highly popular sequels. In 2001, Howe published *The Misfits*, the story of four outcast seventh-graders who try to end name-calling in their school. *The Misfits* is now widely read and studied in middle schools throughout the country, and was the inspiration for the national movement known as No Name-Calling Week (NoNameCallingWeek.org), an event observed by thousands of middle and elementary schools annually. There are three companion novels to *The Misfits*: *Totally Joe* (2005), *Addie on the Inside* (2011), and *Also Known as Elvis* (2014). Howe's many other books for children from preschool through teens frequently deal with the acceptance of difference and being true to oneself.
