Greta and the Lost Army (Mylena Chronicles Book 3) By Chloe Jacobs

A fate as unavoidable as love itself...

After spending the last four years trapped in a place of monsters, demons, and magick, the last thing the fierce teenage bounty hunter Greta expected was to ever be back on Earth. But a rare opportunity gives her and the Goblin King Isaac the opportunity to do just that. Now she's home. With a boy in tow. And her parents have lots of questions.

Although Greta finally has her heart's deepest wish—to see her family again—every step she takes to reconnect with them drives her further away from Isaac. Greta and Isaac planned for her to return to Mylena and become his queen, but she's not sure if she can go back to that harsh world, though staying on Earth means giving up the boy she loves.

But a powerful enemy refuses to let Greta escape. A demon who will stop at nothing to destroy her and everything she loves. Even if it means following her to Earth and forcing her to face a fate as unavoidable as love itself.

Editorial Review

Review

Five Stars: "What an incredible climax to the Mylena Chronicles! [...] I've followed this series from the beginning and have been with Greta every step of the way. Greta's character is about to make more leaps and bounds, and boy, am I glad I've been along for the ride." - **Beth Hoover, Tome Tender**

Five Stars: "What a conclusion! Series conclusions always make me nervous, because there is just so much you want to happen, but *Greta and the Lost Army* delivered in every single way. I have loved this series and I'm so sad that I have to say goodbye, but I say goodbye in the most content way possible." - **Teresa DeLillo, Readers Live a Thousand Lives**

FiveStars: **Chloe Jacob's storytelling sucks you in. Whilethere is obviously a strong love element, there is an equal amount ofadventure. I adore the way Chloe weaves inner struggles and outward obstaclestogether, fantasy realms with human realms, all without confusion. If you lovedGreta and Isacc's playfulness in the previous two stories, you will not bedisappointed in this one. The same playfulness and adventure awaits them bothin this final installment. I am still and forever will be Team Isaac. - MyFictional Escape**

Greta and the Goblin King

Greta and the Glass Kingdom

Greta and the Lost Army

About the Author

Chloe Jacobs is a native of nowhere and everywhere, having jumped around topractically every Province of Canada before finally settling in Ontario whereshe has now been living for a respectable number of years. Her husband and sonare the two best people in the entire world, but they also make her wish she'dat least gotten a female cat. No such luck. And although the day job keeps herbusy, she carves out as much time as possible to write. Bringing new charactersto life and finding out what makes them tick and how badly she can make themsuffer is one of her greatest pleasures, almost better than chocolate and fuzzypink bunny slippers.
