How To Make Him BURN With Desire...Only For YOU (FOR WOMEN ONLY Book 2) By Lanie Stevens

#1 BEST SELLER “How to Make Him BURN With Desire” now has a personalized, unique GUIDED MEDITATION to supercharge your manifesting! Only available at: <http://laniestevensauthor.com>

This book will explain in detail how to use my unique Remote Seduction exercise by incorporating the “secret technique” I taught you in “Pussy Whip – Proven, Powerful Secret Technique Controls Your Man”. My “secret technique” ensures the fastest, most powerful results you can achieve! It's Truly Magic!

With manifesting power like this who needs to waste time texting, calling, creeping or stalking ANY man? You can easily and quickly contact him anywhere and any time by doing ONE SIMPLE THING that I will teach you in my book. Not only contact him, but make him think of you, miss you and desire you!

In fact, you can drive him insane with thoughts of you and only you! Here are just a few of the things you will learn in this book:

- How to contact your man (or any man) and have him feel it instantly!
- Drive him crazy thinking of you constantly!
- Make his desire for you all consuming!
- Have men at your beck and call!
- Replace thoughts of other women with thoughts of YOU!
- Attract anyone you desire whether you know them or not!
- Not have to change a thing about yourself to get any man you choose!
- Feel sexual chemistry like never before!
- Control your man at a distance or lying in bed next to you -- the power is within you!
- Have men coming out of the woodwork for YOU!

There is no other technique ANYWHERE that has the same powerful impact as my “secret technique”. You don't need to be a beauty queen, have a rockin' body

or a personality that is the life of the party to make a man desire you. All you need is my technique!

Trust me ladies, this book will change the way you interact with men! No game playing, no silly things to remember, no mind games – this technique is simple, direct and useful for the rest of your life. That’s the power of this remote seduction exercise using my “secret technique”.

There are a few chapters that I added because the men I interviewed for the book were so adamant that they were “deal killers” where women were concerned. Take my advice and read them but you don’t need to change your looks, behavior or personality to be successful. My "secret technique" takes care of it!
