A young woman's quiet life is upended when she meets the man of her forbidden dreams in the startling new novel from New York Times bestselling author Beth Kery. *The Affair* begins...

The Affair Week One

Innocent yet unconventional hospice nurse Emma Shore has secured a new position at The Breakers, the sprawling mansion of enigmatic and dangerously handsome racecar billionaire Michael Montand. Hired as caretaker for Montand's stepmother, Emma expects few complications. But one night, lost in the mansion's maze of corridors, she comes upon a woman and a man she can't identify engaged in a raw, naked interlude of sexual subjugation. Silently, from the shadows, Emma watches--shocked, appalled, and unnervingly aroused.

But Emma wonders... if this mysterious stranger is not Montand, then who is it? And what other surprises are in store for her? Night after sleepless night, she's considering the possibilities. And for the first time in her life, she's not going to run away from them.
