Desired by Him (Chosen by Him Series, Book 2): An Alpha Billionaire Romance By Ellie Danes

Desired by Him, the new hot, steamy and suspenseful series by Ellie Danes
Book 2 of the Chosen by Him Series

He picked me, even after I told him off. Even after that night that I just can't forget, but I know this could never develop into anything real. He doesn't want a relationship, he wants a low-key fling that no one will ever find out about and for some reason, that's fine with me, at least for now.

I told myself I'd never do this. I'd never get involved with a student, especially an intern at my company, but there's something about her and it's impossible to fight this desire for her.

Twenty-four-year-old MBA student Summer Farris works hard at everything she does and has the background, grades and ambition to prove it. But when she's snubbed for the coveted internship with billionaire business mogul and professor Chase Kerns, Summer is devastated.

Chase Kerns can have anything or any woman he wants and he knows his limits, or does he? The tall, dark and handsome billionaire is running from his mistakes of the past and now, a new temptation hangs in front of him. Will he make the right choice, or will desire and passion cloud his judgement and leave his life hanging in the balance.

** This hot, steamy and seductive romance series is ideal for fans of J.S. Scott, Cassie, Cross and Hannah Ford, **
