Essential Pathology (Rubin, Essential Pathology) By Emanuel Rubin MD

Essential Pathology, Third Edition is a concise version of Rubin and Farber's **Pathology, Third Edition**. It presents anatomical pathology in a concentrated format for medical and allied health students. The text serves as a course text of pathology by discussing only the most clinically relevant aspects of patient disease. New features of the Third Edition include integration of molecular genetics throughout the text and a completely new art program derived from the parent text.
