**Game of Thrones and Philosophy: Logic Cuts Deeper Than Swords** From *imusti*

**An in-depth look at the philosophical issues behind HBO's *Game of Thrones* television series and the books that inspired it**

George R.R. Martin's *New York Times* bestselling epic fantasy book series, *A Song of Ice and Fire*, and the HBO television show adapted from it, have earned critical acclaim and inspired fanatic devotion. This book delves into the many philosophical questions that arise in this complex, character-driven series, including: Is it right for a "good" king to usurp the throne of a "bad" one and murder his family? How far should you go to protect your family and its secrets? In a fantasy universe with medieval mores and ethics, can female characters reflect modern feminist ideals?

- Timed for the premiere of the second season of the HBO *Game of Thrones* series
- Gives new perspectives on the characters, storylines, and themes of *Game of Thrones*
- Draws on great philosophers from ancient Greece to modern America to explore intriguing topics such as the strange creatures of Westeros, the incestuous relationship of Jaime and Cersei Lannister, and what the kings of Westeros can show us about virtue and honor (or the lack thereof) as they play their game of thrones

Essential reading for fans, *Game of Thrones and Philosophy* will enrich your experience of your favorite medieval fantasy series.

on there. Therefore not all of books tend to make you bored, any it can make you feel happy, fun and chill out. Try to choose the best book for you personally and try to like reading in which.

### **Ellis Pauling:**

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's spirit or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Game of Thrones and Philosophy: Logic Cuts Deeper Than Swords can make you feel more interested to read.
