Indecent...Desires By Jane O'Reilly

Her wish is his command.

By day, Meredith is a divorced, 30-something control freak, organizing the stationery cupboard and searching for her next husband and future father of her children from among the suited drones in the office.

By night, she watches from her darkened bedroom as a 20-something Adonis pleasures himself at his window in the building across the road – following to the letter the instructions she has put through his letterbox.

But when her sexy exhibitionist comes to work in her office, Meredith's two worlds collide... and she finds there are other uses for the stationery cupboard.
